Tokyo Individualized Educational Institute Announces the Opening of New Schools

Tokyo Individualized Educational Institute, Inc. (TIEI) announces that the Company will open “Azabujuban School (Minato-ku, Tokyo)” and “Kasai School (Edogawa-ku, Tokyo)” on February, 2015 as follows.

This will be the 10th school to be opened during the fiscal year ending February 2015. The number of openings exceeded the plan of 7 schools which was based on “Shining☆2015” medium-term management plan by 3 schools.

Regarding the existing 7 schools which were opened during the fiscal year ending February 2015 according to the medium-term management plan, the number of enrolled students is greatly exceeding the plan, and the selling expenses are rationalized due to synergy effect with neighborhood schools. As a result, TIEI decided to open the new schools. TIEI believes that accelerating the pace of opening of new school will contribute to business growth for the next fiscal year onward.

Including the new school, the total number of schools directly operated by TIEI will be 218.

In addition, business forecast for the fiscal year ending February 2015 remains unchanged.

1. Tokyo Individualized Educational Institute Azabujuban School

1) Date of opening: February 27, 2015

2) Address:

7F My Square Bldg., 2-10-3 Azabujuban, Minato-ku, Tokyo 106-0045
(3 minutes' walk from Toei Ōedo Line, Tokyo Metro Namboku Line “Azabujuban” Station)

3) School Opening Outline

This area has a large market size due to rapid increase in school-age population and schools. Moreover, the school is located in a quiet street and convenient place for commuting. To meet the customers' needs, TIEI decided to open the new school.

2. Tokyo Individualized Educational Institute Kasai School

1) Date of opening: February 25, 2015

2) Address:

5F Daisan Misu Bldg., 6-2-3 Higashikasai, Edogawa-ku, Tokyo 134-0084
(2 minutes' walk from Tokyo Metro Tōzai Line Kasai Station Central Exit)

3) School Opening Outline

Only 1 minute walk from Kasai station, and the bus network as well as the train network has been well developed from north to south. It is convenient place to commute particularly for the customers in Minamikasai area. TIEI expects improvement in sales efficiency by creating synergy effect with neighborhood “Nishikasai School”. To meet the customers' needs in south area of Edogawa-ku more than before, TIEI decided to open the new school.
